IMPORTANT NOTICE: In order to provide a more manageable solicitation, the State has opted to issue a complete new document. This approach has been selected in an effort to ensure the clarity of the contract documents during both the “Pre-Award” and “Post Award” phases of this procurement. Prospective bidders should discard the original solicitation document and use this document when preparing their on-line bids.

Despite our best efforts, there is a chance that a change was inadvertently left unhighlighted. Therefore, Offerors are cautioned that they are responsible to review the content of the entire document and cannot rely detrimentally on highlights identifying all changes.

PROHIBITED COMMUNICATIONS AND DONATIONS (FEB 2015)

Violation of these restrictions may result in disqualification of your offer, suspension or debarment, and may constitute a violation of law.

(a) During the period between publication of the solicitation and final award, ***you must not communicate, directly or indirectly, with the Using Governmental Unit or its employees, agents or officials regarding any aspect of this procurement activity***, unless otherwise approved in writing by the Procurement Officer. All communications must be solely with the Procurement Officer. [R. 19-445.2010]

(b) You are advised to familiarize yourself with Regulation 19-445.2165, which restricts donations to a governmental entity with whom you have or seek to have a contract. ***You represent that your offer discloses any gifts made, directly or through an intermediary, by you or your named subcontractors to or for the benefit of the Using Governmental Unit during the period beginning eighteen months prior to the Opening Date.*** [R. 19-445.2165] [02-2A087-1]

PUBLIC OPENING (JAN 2004)

Offers will be publicly opened at the date/time and at the location identified on the Cover Page, or last Amendment, whichever is applicable. [02-2A090-1]

QUESTIONS FROM OFFERORS (FEB 2015)

(a) Any prospective offeror desiring an explanation or interpretation of the solicitation, drawings, specifications, etc., must request it in writing. Questions regarding the original solicitation or any amendment must be received by the Procurement Officer no later than five (5) days prior to opening unless an earlier date is stated on the Cover Page. Label any communication

regarding your questions with the name of the procurement officer, and the solicitation's title and number. Oral explanations or instructions will not be binding. [See R. 19-445.2042(B)] Any information given a prospective offeror concerning a solicitation will be furnished promptly to all other prospective offerors as an Amendment to the solicitation, if that information is necessary for submitting offers or if the lack of it would be prejudicial to other prospective offerors. See clause entitled "Duty to Inquire." **We will not identify you in our answer to your question.** (b) The State seeks to permit maximum practicable competition. Offerors are urged to advise the Procurement Officer -- as soon as possible -- regarding any aspect of this procurement, including any aspect of the Solicitation that unnecessarily or inappropriately limits full and open competition. [See R. 19-445.2140] [02-2A095-2]

QUESTIONS FROM OFFERORS - AMENDMENT (JUN 2017)

THE SOLICITATION IS AMENDED AS PROVIDED HEREIN. INFORMATION OR CHANGES RESULTING FROM QUESTIONS WILL BE SHOWN IN A QUESTION-AND-ANSWER FORMAT. ALL QUESTIONS RECEIVED HAVE BEEN REPRINTED BELOW. THE "STATE'S RESPONSE" SHOULD BE READ WITHOUT REFERENCE TO THE QUESTIONS. THE QUESTIONS ARE INCLUDED SOLELY TO PROVIDE A CROSS-REFERENCE TO THE POTENTIAL OFFEROR THAT SUBMITTED THE QUESTION. QUESTIONS DO NOT FORM A PART OF THE CONTRACT; THE "STATE'S RESPONSE" DOES. ANY RESTATEMENT OF PART OR ALL OF AN EXISTING PROVISION OF THE SOLICITATION IN AN ANSWER DOES NOT MODIFY THE ORIGINAL PROVISION EXCEPT AS FOLLOWS: UNDERLINED TEXT IS ADDED TO THE ORIGINAL PROVISION. STRICKEN TEXT IS DELETED. [02-2A097-1]

REJECTION/CANCELLATION (JAN 2004)

The State may cancel this solicitation in whole or in part. The State may reject any or all proposals in whole or in part. [SC Code Section 11-35-1710 & R.19-445.2065] [02-2A100-1]

RESPONSIVENESS/IMPROPER OFFERS (JUN 2015)

(a) Bid as Specified. Offers for supplies or services other than those specified will not be considered unless authorized by the Solicitation.

(b) Multiple Offers. Offerors may submit more than one Offer, provided that each Offer has significant differences other than price. Each separate Offer must satisfy all Solicitation requirements. If this solicitation is an Invitation for Bids, each separate offer must be submitted as a separate document. If this solicitation is a Request for Proposals, multiple offers may be submitted as one document, provided that you clearly differentiate between each offer and you submit a separate cost proposal for each offer, if applicable.

(c) Responsiveness. Any Offer which fails to conform to the material requirements of the Solicitation may be rejected as nonresponsive. Offers which impose conditions that modify material requirements of the Solicitation may be rejected. If a fixed price is required, an Offer will be rejected if the total possible cost to the State cannot be determined. Offerors will not be given an opportunity to correct any material nonconformity. Any deficiency resulting from a minor informality may be cured or waived at the sole discretion of the Procurement Officer. [R.19-445.2070 and Section 11-35-1520(13)]

(d) Price Reasonableness: Any offer may be rejected if the Procurement Officer determines in writing that it is unreasonable as to price. [R. 19-445.2070].

(e) Unbalanced Bidding. The State may reject an Offer as nonresponsive if the prices bid are materially unbalanced between line items or subline items. A bid is materially unbalanced when it is based on prices significantly less than cost for some work and prices which are significantly overstated in relation to cost for other work, and if there is a reasonable doubt that the bid will result in the lowest overall cost to the State even though it may be the low evaluated bid, or if it is so unbalanced as to be tantamount to allowing an advance payment.

(f) **Do not submit bid samples or descriptive literature unless expressly requested.** Unsolicited bid samples or descriptive literature will not be examined or tested, will not be used to determine responsiveness, and will not be deemed to vary any of the provisions of the solicitation. S.C. Code Ann. Reg. 19-445.2077(D). [02-2A105-2]

SIGNING YOUR OFFER (JAN 2004)

(b) If the Offeror is a partnership, the Offer must be submitted in the partnership name, followed by the words by its Partner, and signed by a general partner. (c) If the Offeror is a corporation, the Offer must be submitted in the corporate name, followed by the signature and title of the person authorized to sign. (d) An Offer may be submitted by a joint venturer involving any combination of individuals, partnerships, or corporations. If the Offeror is a joint venture, the Offer must be submitted in the name of the Joint Venture and signed by every participant in the joint venture in the manner prescribed in paragraphs (a) through (c) above for each type of participant. (e) If an Offer is signed by an agent, other than as stated in subparagraphs (a) through (d) above, the Offer must state that it has been signed by an Agent. Upon request, Offeror must provide proof of the agent's authorization to bind the principal. [02-2A115-1]

STATE OFFICE CLOSINGS (JAN 2004)

If an emergency or unanticipated event interrupts normal government processes so that offers cannot be received at the government office designated for receipt of bids by the exact time specified in the solicitation, the time specified for receipt of offers will be deemed to be extended to the same time of day specified in the solicitation on the first workday on which normal government processes resume. In lieu of an automatic extension, an Amendment may be issued to reschedule bid opening. If state offices are closed at the time a pre-bid or pre-proposal conference is scheduled, an Amendment will be issued to reschedule the conference. Useful information may be available at: <https://scemd.org/closings> [02-2A120-3]

DISCLOSURE OF YOUR BID / PROPOSAL and SUBMITTING CONFIDENTIAL DATA (FEB 2021)

(a) According to Section 11-35-410, any person submitting a document in response or with regard to any solicitation or other request must "comply with instructions provided in the solicitation for marking information exempt from public disclosure. Information not marked as required by the applicable instructions may be disclosed to the public." **IF YOU IDENTIFY YOUR ENTIRE RESPONSE AS EXEMPT FROM PUBLIC DISCLOSURE, OR IF YOU DO NOT SUBMIT A REDACTED COPY AS REQUIRED, THE STATE MAY, IN ITS SOLE DISCRETION, DETERMINE YOUR BID OR PROPOSAL NONRESPONSIVE AND INELIGIBLE FOR AWARD.** (b) By submitting a response to this solicitation or request, Offeror (1) agrees to the public disclosure of every page, or portion thereof, of every document regarding this solicitation or request that was submitted at any time prior to entering into a contract (including, but not limited to, documents contained in a response, documents submitted to clarify a response, and documents submitted during negotiations), unless the page, or portion thereof, was redacted and conspicuously marked "Trade Secret" or "Confidential" or "Protected", (2) agrees that any information not redacted and marked, as required by these bidding instructions, as a "Trade Secret" is not a trade secret as defined by the Trade Secrets Act, and (3) agrees that, notwithstanding any claims or markings otherwise, any prices, commissions, discounts, or other financial figures used to determine the award, as well as the final contract amount, are subject to public disclosure. (c) If your offer includes any information that you claim is exempt from public disclosure, you must submit one complete copy of your offer from which you have removed or concealed such information (the redacted copy). Except for the information removed or concealed, the redacted copy must be identical to your original offer. (d) Do not mark your entire response (bid, proposal, quote, etc.) as confidential, trade secret, or protected. If only portions of a page are subject to some protection, do not redact the entire page. The redacted copy must reflect the same pagination as the original and show the empty space from which information was redacted. The Procurement Officer must be able to view, search, copy and print the redacted copy without a password. If your response, or any part thereof, is improperly marked as confidential or trade secret or protected, the State may, in its sole discretion, determine it nonresponsive. (e) On the redacted copy, you must identify the basis of your claim by marking each redaction as follows: You must separately mark with the word "CONFIDENTIAL" every page, or portion thereof, that you redacted and claim as exempt from public disclosure because it is either (1) a trade secret as defined in Section 30-4-40(a)(1) of the Freedom of Information Act, or (2) privileged and confidential, as that phrase is used in Section 11-35-410. You must separately mark with the words "TRADE SECRET" every page, or portion thereof, that you redacted and claim as exempt from public disclosure as a trade secret pursuant to Section 39-8-20 of the Trade Secrets Act. You must separately mark with the word "PROTECTED" every page, or portion thereof, that you redacted and claim as exempt from public disclosure pursuant to Section 11-35-1810. All markings must be conspicuous; use color, bold, underlining, or some other method in order to conspicuously distinguish the mark from the other text. (f) In determining whether to release documents, the State will detrimentally rely on your redaction and marking of documents, as required by these bidding instructions, as being either "Confidential" or "Trade Secret" or "Protected". By submitting a response, you agree to defend, indemnify and hold harmless the State of South Carolina, its agencies, officers and employees, from every claim, demand, loss, expense, cost, damage or

injury, including attorney's fees, arising out of or resulting from withholding information by the State of South Carolina or any of its agencies, that you have redacted or marked as "Confidential" or "Trade Secret" or "Protected". (All references to S.C. Code of Laws.) [02-2A125-3]

Offerors should provide website link to its current Price List that will be maintained and kept up to date at all times by the contractor/manufacturer. This website will be posted on the state Procurement Services website/contract sheets for easy access by end users. Offerors will honor the published price listed at the time the purchase order is received from the UGU or at the time the purchase is made if using a Purchasing Card. If offeror cannot provide a website link to its current price list, contractor must provide the current applicable Price List to end using entities upon request. At no time will the state be expected to maintain a Price List for contractors.

Offerors Relationship with Manufacturer:

Bids will only be accepted from Manufacturers or Dealers expressly authorized to bid on behalf of a Manufacturer (documentation of expressed authority must be submitted with your bid). In the case of a Dealer bidding on behalf of a Manufacturer, the offeror (bidder) **MUST** clearly indicate on the Cover Page of the solicitation that the Dealer is bidding "In

Care Of" a certain Manufacturer. Such bids must be accompanied by a letter from the Manufacturer on its letterhead stating that said Dealer is authorized to bid on behalf of the Manufacturer. **The Offeror dealers bidding on behalf of manufacturers incur the contractual obligations intended for the manufacturers and must be able to provide goods and services for the entire State.**

Manufacturers may authorize a dealer to submit on their behalf. However, if a contract is awarded to the dealer, it does not transfer, nor will an assignment be possible if the manufacturer/dealer relationship is dissolved. Manufacturers may offer and have an authorized dealers list. In this case, the contract will be in the manufacturer's name.

DEALERS:

Offers may include a list of local Dealers/Distributors that will service certain geographical areas on behalf of the Manufacturer. These Dealers/Distributors must be in good standing with the State and will be held by the Contractors (Manufacturers) to the same performance standards as the awarded Contractors. It must be clear that the Contractor will be held responsible by the State for ALL aspects of contract performance. The Dealers/Distributors are responsible to the Contractor. The State will not be entangled in the Contractor – Dealer/Distributor relationship.

NOTE:

The listing of a Dealer/Distributor is an administrative matter. Changes in the Contractor's Dealer/Distributor list(s) will not require a Change Order document. The two (2) contractual requirements supported by the Dealer/Distributor list(s) that must be maintained by the Contractor throughout the life of the contract are:

1. Complete and continuous distribution coverage of the entire State.
2. All named Dealer/Distributors must be in good standing with the State and be a registered vendor with the State.

Contractors are permitted to set up distribution networks to ensure quality and timely service to all areas of the state. So, while the contractors listed herein serve as the sole point of contact for ordering and payment purposes, local representatives may perform other service functions such as delivery or maintenance services. Changes to the dealer/distributor networks are an administrative matter, not a contractual matter, and thus will not require express authorization of MMO or the State if changes must be made. However, dealers and distributors are held to the same performance and responsibility standards as the contractors. Should performance issues arise pertaining to a dealer/distributor acting as an agent of the contractor, the contractor is responsible for handling such issues and will act as the sole point of contact in resolving these problems.

TRADE-IN

At the sole discretion of the UGU, UGU may request to trade in obsolete equipment. Vendors shall offer a fair and reasonable trade amount with an itemized detailed list of credits available. UGUs are encouraged to do market research to determine the current value on the obsolete equipment.

The trade-in process will be as follows:

1. **The agency/UGU will provide information to the contractor regarding the proposed items to be traded;**
2. **The vendor will place a value on the items to be traded;**
3. **The agency/UGU customer will forward a turn-in document to the Surplus Property Management Officer (SPMO) showing the proposed value of the item(s) to be traded along with a statement that the price is fair and reasonable.**
4. **The SPMO will approve or disapprove the trade-in.**

(a) Procurement Services (PS) establishes and maintains master State contracts for the benefit of all South Carolina state and local public entities. These contracts allow all public entities both to maximize the State's purchasing power by aggregating their requirements and to benefit from increased efficiencies in the acquisition process. Procurement Services' cost for this central purchasing activity is offset by an administrative fee which each contractor includes in its contract pricing (though not separately itemized or invoiced) and is paid to the vendor by each participating public entity. The contractor collects the fee as a fiduciary for the State and remits the same as calculated in accordance with the clause titled "ADMINISTRATIVE SERVICES FEE - CALCULATION." The price stated in the contractor's bid or proposal must include all amounts necessary for contractor to meet this obligation.

(b) As used in this clause, the term "reporting period" means each full calendar quarter (Jan. - Mar., Apr. - Jun., Jul. - Sep., and Oct. - Dec.) and any remaining periods less than a full calendar quarter during the term of this contract. For each reporting period, contractor shall report to PS its total sales pursuant to this contract for the period and shall remit the fee to the PS Reports Manager. Payment for each reporting period is due no later than the last day of the month immediately following the end of the reporting period (Example: payment for the reporting period ending March 31 is due April 30). If the amount due for a reporting period is less than \$10.00, no payment is required. The procurement officer will provide contractor an information packet, including a detailed explanation of reporting and payment requirements, within fifteen (15) calendar days following contract award. You may contact the Reports Manager at:

Procurement Services Division
Attn: Reports Manager
1201 Main Street, Suite 600
Columbia, SC 29201

Phone: (803) 896-8956 (ask to speak to the Reports Manager)

Failure to receive the information packet does not relieve contractor from its obligations hereunder.

(c) Contractor shall submit a usage report for each reporting period, even if no payment is due for the reporting period. The

usage report shall include any information requested by PS to verify the amount due. At a minimum, each usage report shall reflect the following information for the applicable reporting period: contractor's name, contract number, contract description, reporting period/quarter, total dollar value of sales (excluding sales taxes and showing any adjustments for credits or refunds), total number of units (if practicable), and the number, date, and amount of contractor's check to PS. Unless otherwise specified by the reports manager, the usage report shall be submitted electronically according to instructions in the information packet. If the reports manager requires the contractor to provide a more detailed usage report, the reports manager will work directly with the contractor to determine the appropriate content and format of the report.

(d) During the term of this contract and for a period of three years thereafter, PS or its authorized representatives shall be afforded access at reasonable times to contractor's records (including, without limitation, bank statements, deposits, checks; invoices; correspondence; ledgers; receipts; transmittals) in order to audit all transactions involving goods sold, work performed, or fees due pursuant to this contract. If the audit indicates that contractor has materially underpaid PS, then contractor shall remit the balance found to be due (including any amounts assessed pursuant to subparagraph (e)) and reimburse PS for all costs of the audit.

(e) Payments of the fee which are due and unpaid by the contractor (including amounts disclosed by audit) shall accrue interest as provided in the Payment and Interest clause for amounts due to the State. In addition to the fee and interest, contractor agrees to pay to PS its reasonable expenses of collection, including costs and attorneys' fees (and fees for inside counsel), whether or not PS commences legal action.

(f) If the contractor fails to (i) timely submit accurate usage reports; (ii) remit to PS the fee when due; or (iii) promptly and fully cooperate with an audit request, the State may, without prejudice to any other remedy available to the State, take any one or more of the following actions:

- (1) direct the contractor to not accept any further orders under the contract until PS determines that the cause for such direction has been eliminated;
- (2) terminate this contract;
- (3) direct the contractor to not accept any further orders under any other master State contract established by PS until PS determines that the cause for such direction has been eliminated.

(g) For purposes of this clause, PS is intended as a third-party beneficiary of this contract.

ADMINISTRATIVE SERVICES FEE - CALCULATION - SPO (MODIFIED)

For each reporting period, Contractor shall pay to PS a fee equal to **one (1.0%)** percent of the total dollar amount (excluding sales taxes and adjusted for credits or refunds) of purchases made by any public procurement unit from Contractor pursuant to this contract.

VII. TERMS AND CONDITIONS -- B. SPECIAL

CHANGES (JAN 2006)

(1) Contract Modification. By a written order, at any time, and without notice to any surety, the Procurement Officer may, subject to all appropriate adjustments, make changes within the general scope of this contract in any one or more of the following:

- (a) drawings, designs, or specifications, if the supplies to be furnished are to be specially manufactured for the [State] in accordance therewith;
- (b) method of shipment or packing;
- (c) place of delivery;
- (d) description of services to be performed;
- (e) time of performance (i.e., hours of the day, days of the week, etc.); or,
- (f) place of performance of the services. Subparagraphs (a) to (c) apply only if supplies are furnished under this contract. Subparagraphs (d) to (f) apply only if services are performed under this contract.

(2) Adjustments of Price or Time for Performance. If any such change increases or decreases the contractor's cost of, or the time required for, performance of any part of the work under this contract, whether or not changed by the order, an adjustment shall be made in the contract price, the delivery schedule, or both, and the contract modified in writing accordingly. Any adjustment in contract price made pursuant to this clause shall be determined in accordance with the Price Adjustment Clause of this contract. Failure of the parties to agree to an adjustment shall not excuse the contractor from proceeding with the contract as changed, provided that the State promptly and duly make such provisional adjustments in payment or time for performance as may be reasonable. By proceeding with the work, the contractor shall not be deemed to have prejudiced any claim for additional compensation, or an extension of time for completion.

(3) Time Period for Claim. Within 30 days after receipt of a written contract modification under Paragraph (1) of this clause, unless such period is extended by the Procurement Officer in writing, the contractor shall file notice of intent to assert a claim for an adjustment. Later notification shall not bar the contractor's claim unless the State is prejudiced by the delay in notification.

(4) Claim Barred After Final Payment. No claim by the contractor for an adjustment hereunder shall be allowed if notice is not given prior to final payment under this contract.

[07-7B025-1]

CISG (JAN 2006)

CONTRACT LIMITATIONS (JAN 2006)

No sales may be made pursuant to this contract for any item or service that is not expressly listed. No sales may be made pursuant to this contract after expiration of this contract. Violation of this provision may result in termination of this contract and may subject contractor to suspension or debarment. [07-7B045-1]

DEFAULT (JAN 2006)

(a) (1) The State may, subject to paragraphs (c) and (d) of this clause, by written notice of default to the Contractor, terminate this contract in whole or in part if the Contractor fails to:

- (i) Deliver the supplies or to perform the services within the time specified in this contract or any extension;
- (ii) Make progress, so as to endanger performance of this contract (but see paragraph (a)(2) of this clause); or
- (iii) Perform any of the other material provisions of this contract (but see paragraph (a)(2) of this clause).

(2) The State's right to terminate this contract under subdivisions (a)(1)(ii) and (1)(iii) of this clause, may be exercised if the Contractor does not cure such failure within 10 days (or more if authorized in writing by the Procurement Officer) after receipt of the notice from the Procurement Officer specifying the failure.

(b) If the State terminates this contract in whole or in part, it may acquire, under the terms and in the manner the Procurement Officer considers appropriate, supplies or services similar to those terminated, and the Contractor will be liable to the State for any excess costs for those supplies or services. However, the Contractor shall continue the work not terminated.

(c) Except for defaults of subcontractors at any tier, the Contractor shall not be liable for any excess costs if the failure to perform the contract arises from causes beyond the control and without the fault or negligence of the Contractor. Examples of such causes include (1) acts of God or of the public enemy, (2) acts of the State in either its sovereign or contractual capacity, (3) fires, (4) floods, (5) epidemics, (6) quarantine restrictions, (7) strikes, (8) freight embargoes, and (9) unusually severe weather. In each instance the failure to perform must be beyond the control and without the fault or negligence of the Contractor.

(d) If the failure to perform is caused by the default of a subcontractor at any tier, and if the cause of the default is beyond the control of both the Contractor and subcontractor, and without the fault or negligence of either, the Contractor shall not be liable for any excess costs for failure to perform, unless the subcontracted supplies or services were obtainable from other sources in sufficient time for the Contractor to meet the required delivery schedule.

(e) If this contract is terminated for default, the State may require the Contractor to transfer title and deliver to the State, as directed by the Procurement Officer, any (1) completed supplies, and (2) partially completed supplies and materials, parts, tools, dies, jigs, fixtures, plans, drawings, information, and contract rights (collectively referred to as "manufacturing materials" in this clause) that the Contractor has specifically produced or acquired for the terminated portion of this contract. Upon direction of the Procurement Officer, the Contractor shall also protect and preserve property in its possession in which the State has an interest.

(f) The State shall pay contract price for completed supplies delivered and accepted. The Contractor and Procurement Officer shall agree on the amount of payment for manufacturing materials delivered and accepted and for the protection and preservation of the property; if the parties fail to agree, the Procurement Officer shall set an amount subject to the Contractor's rights under the Disputes clause. Failure to agree will be a dispute under the Disputes clause. The State may withhold from these amounts any sum the Procurement Officer determines to be necessary to protect the State against loss because of outstanding liens or claims of former lien holders.

(g) If, after termination, it is determined that the Contractor was not in default, or that the default was excusable, the rights and obligations of the parties shall, if the contract contains a clause providing for termination for convenience of the State, be the same as if the termination had been issued for the convenience of the State. If, in the foregoing circumstances, this contract does not contain a clause providing for termination for convenience of the State, the contract shall be adjusted to compensate for such termination and the contract modified accordingly subject to the contractor's rights under the Disputes clause.

(h) The rights and remedies of the State in this clause are in addition to any other rights and remedies provided by law or under this contract.

ESTIMATED QUANTITY -- UNKNOWN (JAN 2006)

(An overview is available at www.procurement.sc.gov) By signing your offer, you certify that you will comply with the applicable requirements of Title 8, Chapter 14 of the South Carolina Code of Laws and agree to provide to the State upon request any documentation required to establish either: (a) that Title 8, Chapter 14 is inapplicable to you and your subcontractors or sub-subcontractors; or (b) that you and your subcontractors or sub-subcontractors are in compliance with Title 8, Chapter 14. Pursuant to Section 8-14-60, "A person who knowingly makes or files any false, fictitious, or fraudulent document, statement, or report pursuant to this chapter is guilty of a felony, and, upon conviction, must be fined within the discretion of the court or imprisoned for not more than five years, or both." INDEMNIFICATION-INTELLECTUAL PROPERTY (JAN 2006)

(a) Without limitation and notwithstanding any provision in this agreement, Contractor shall, upon receipt of notification, defend and indemnify the State, its instrumentalities, agencies, departments, boards, political subdivisions and all their respective officers, agents and employees against all actions, proceedings or claims of any nature (and all damages, settlement payments, attorneys' fees (including inside counsel), costs, expenses, losses or liabilities attributable thereto) by any third party asserting or involving an IP right related to an acquired item. State shall allow Contractor to defend such claim so long as the defense is diligently and capably prosecuted. State shall allow Contractor to settle such claim so long as (i) all settlement payments are made by Contractor, and (ii) the settlement imposes no non-monetary obligation upon State. State shall reasonably cooperate with Contractor's defense of such claim. (b) In the event an injunction or order shall be obtained against State's use of any acquired item, or if in Contractor's opinion, the acquired item is likely to become the subject of a claim of infringement or violation of an IP right, Contractor shall, without in any way limiting the foregoing, and at its expense, either: (1) procure for State the right to continue to use, or have used, the acquired item, or (2) replace or modify the acquired item so that it becomes non-infringing but only if the modification or replacement does not adversely affect the specifications for the acquired item or its use by State. If neither (1) nor (2), above, is practical, State may require that Contractor remove the acquired item from State, refund to State any charges paid by State therefor, and take all steps necessary to have State released from any further liability. (c) Contractor's obligations under this paragraph do not apply to a claim to the extent (i) that the claim is caused by Contractor's compliance with specifications furnished by the State unless Contractor knew its compliance with the State's specifications would infringe an IP right, or (ii) that the claim is caused by Contractor's compliance with specifications furnished by the State if the State knowingly relied on a third party's IP right to develop the specifications provided to Contractor and failed to identify such product to Contractor. (d) As used in this paragraph, these terms are defined as follows: "IP right(s)" means a patent, copyright, trademark, trade secret, or any other proprietary right. "Acquired item(s)" means the rights, goods, or services furnished under this agreement. "Specification(s)" means a detailed, exact statement of particulars such as a statement prescribing materials, dimensions, and quality of work. (e) Contractor's obligations under this clause shall survive the termination, cancellation, rejection, or expiration of this Agreement. [07-7B103-1]

LICENSES AND PERMITS (JAN 2006)

During the term of the contract, the Contractor shall be responsible for obtaining, and maintaining in good standing, all licenses (including professional licenses, if any), permits, inspections and related fees for each or any such licenses, permits and /or inspections required by the State, county, city or other government entity or unit to accomplish the work specified in this solicitation and the contract. [07-7B115-1]

MATERIAL AND WORKMANSHIP (JAN 2006)

Unless otherwise specifically provided in this contract, all equipment, material, and articles incorporated in the work covered by this contract are to be new and of the most suitable grade for the purpose intended. [07-7B120-1]

PRICE ADJUSTMENTS (JAN 2006)

(1) Method of Adjustment. Any adjustment in the contract price made pursuant to a clause in this contract shall be consistent with this Contract and shall be arrived at through whichever one of the following ways is the most valid approximation of the actual cost to the Contractor (including profit, if otherwise allowed):

(a) by agreement on a fixed price adjustment before commencement of the pertinent performance or as soon thereafter as practicable;

(b) by unit prices specified in the Contract or subsequently agreed upon;

(c) by the costs attributable to the event or situation covered by the relevant clause, including profit if otherwise allowed all as specified in the Contract; or subsequently agreed upon;

(d) in such other manner as the parties may mutually agree; or,

(e) in the absence of agreement by the parties, through a unilateral initial written determination by the Procurement Officer of the costs attributable to the event or situation covered by the clause, including profit if otherwise allowed all as computed by the Procurement Officer in accordance with generally accepted accounting principles, subject to the provisions of Title 11, Chapter 35, Article 17 of the S.C. Code of Laws.

(2) Submission of Price or Cost Data. Upon request of the Procurement Officer, the contractor shall provide reasonably available factual information to substantiate that the price or cost offered, for any price adjustments is reasonable, consistent with the provisions of Section 11-35-1830.

[07-7B160-1]

PRICE ADJUSTMENT - LIMITED -- AFTER INITIAL TERM ONLY (MODIFIED)

After the initial term, the State will consider a price adjustment when the vendor is submitting an updated product for consideration under the Contract Product Changes clause in Section III. Any request for a price increase must be received by the Procurement Officer at least ninety (90) days prior to the expiration of the applicable term and must be accompanied by sufficient documentation to justify the increase. If approved, a price increase becomes effective starting with the term beginning after approval. A price increase must be executed as a change order. Contractor may terminate this contract at the end of the then current term if a price increase request is denied. Notice of termination pursuant to this paragraph must be received by the Procurement Officer no later than fifteen (15) days after the Procurement Officer sends contractor notice rejecting the requested price increase.

Pricing on this contract is based on a percentage discount of an established catalog price at the time the order is placed. After the initial term, routine price adjustments in the manufacturer's catalog do not require a change order. However, a price adjustment to the contracted percent discount will require a change order and must be requested under the terms of this clause.

PRICE ADJUSTMENTS -- LIMITED BY PPI (JAN 2006)

Upon request and adequate justification, the Procurement Officer may grant a price increase up to, but not to exceed, the unadjusted percent change for the most recent 12 months for which data is available, that is not subject to revision, in the Producer Price Indexes (PPI) for the applicable commodity, as determined by the Procurement Officer. The Bureau of Labor and Statistics publishes this information on the web at www.bls.gov (.) [07-7B180-1]

PRICING DATA -- AUDIT -- INSPECTION (JAN 2006)

[Clause Included Pursuant to Section 11-35-1830, - 2210, & -2220] (a) Cost or Pricing Data. Upon Procurement Officer's request, you shall submit cost or pricing data, as defined by 48 C.F.R. Section 2.101 (2004), prior to either (1) any award to contractor pursuant to 11-35-1530 or 11-35-1560, if the total contract price exceeds \$500,000, or (2) execution of a change order or contract modification with contractor which exceeds \$100,000. Your price, including profit or fee, shall be adjusted to exclude any significant sums by which the state finds that such price was increased because you furnished cost or pricing data that was inaccurate, incomplete, or not current as of the date agreed upon between parties. (b) Records Retention. You shall maintain your records for three years from the date of final payment, or longer if requested by the chief Procurement Officer. The state may audit your records at reasonable times and places. As used in this subparagraph (b), the term "records" means any books or records that relate to cost or pricing data submitted pursuant to this clause. In addition to the obligation stated in this subparagraph (b), you shall retain all records and allow any audits provided for by 11-35-2220(2). (c) Inspection. At reasonable times, the state may inspect any part of your place of business which is related to performance of the work. (d) Instructions Certification. When you submit data pursuant to subparagraph (a), you shall (1) do so in accordance with the instructions appearing in Table 15-2 of 48 C.F.R. Section 15.408 (2004) (adapted as necessary for the state context), and (2) submit a Certificate of Current Cost or Pricing Data, as prescribed by 48 CFR Section 15.406-2(a) (adapted as necessary for

the state context). (e) Subcontracts. You shall include the above text of this clause in all of your subcontracts. (f) Nothing in this clause limits any other rights of the state. [07-7B185-1]

RELATIONSHIP OF USING GOVERNMENTAL UNITS (JAN 2006)

Each Using Governmental Unit's obligations and liabilities are independent of every other Using Governmental Unit's obligations and liabilities. No Using Governmental Unit shall be responsible for any other Using Governmental Unit's act or failure to act. [07-7B210-1]

SHIPPING / RISK OF LOSS (JAN 2006)

F.O.B. Destination. Destination is the shipping dock of the Using Governmental Units' designated receiving site, or other location, as specified herein. (See Delivery clause) [07-7B220-1]

STATEWIDE TERM CONTRACT (FEB 2021)

(a) With this solicitation, the state seeks to establish a term contract (as defined in Section 11-35-310(35)) available for use by all South Carolina public procurement units (as defined in Section 11-35-4610(5)). Use by state governmental bodies (as defined in Section 11-35-310(18)), which includes most state agencies, is mandatory except under limited circumstances, as provided in Section 11-35-310(35). See clause entitled "Acceptance of Offers 10% Below Price" in Part VII.B. of this solicitation. Use by local public procurement units is optional. Section 11-35-4610 defines local public procurement units to include any political subdivision, or unit thereof, which expends public funds. Section 11-35-310(23) defines the term political subdivision as all counties, municipalities, school districts, public service or special purpose districts.

(b) The State shall be entitled to audit the books and records of you and any subcontractor to the extent that such books and records relate to the performance of the work. Such books and records shall be maintained by the contractor for a period of three years from the date of final payment under the contract and by the subcontractor for a period of three years from the date of final payment under the subcontract, unless a shorter period is otherwise authorized in writing by the Chief Procurement Officer.

(c) Notwithstanding the "Purchase Orders" clause, a Using Governmental Unit may include additional contract terms in a purchase order if and to the extent necessary for the Using Governmental Unit (i) to comply with federal laws as are mandatorily applicable to an expenditure of federal assistance, grant, or contract funds, or (ii) to impose organizational, operational, or technical security measures designed to protect the integrity, availability, or confidentiality of the Using Governmental Unit's data. Additional contract terms may not be used if they involve an increase in pricing or materially alter the scope of work. Contractor may decline to honor a purchase order that includes additional contract terms, but only if the Contractor provides the applicable Using Governmental Unit with prompt written notice of such rejection and the work acquired with that purchase order has not begun. For purposes of a specific purchase order, Contractor accepts additional contract terms by performing any of the work acquired with that purchase order. As used herein, "additional contract terms" means only those additional terms not otherwise expressly allowed by this contract.

(d) EFT information the Contractor provides to the State Treasurer's Office (STO) is only used to process payment of invoices to Using Governmental Units on whose behalf the STO makes payment. For all other Using Governmental Units the method of payment must be addressed in the purchase order. See clause titled "Payment & Interest."

(e) If the contractor is suspended or debarred pursuant to Section 11-35-4220, the State may, without prejudice to any other remedy available to the State, take any one or more of the following actions: (1) order the contractor to not accept any further orders under the contract until the suspension or debarment has been lifted; (2) terminate this contract; (3) order the contractor to not accept any further orders under any other statewide term contract; or (4) terminate the contractor's award of any other statewide term contract. [07-7B225-4]

STATEWIDE TERM CONTRACT - ACCEPTANCE OF OFFERS 10% BELOW PRICE (NOV 2012)

Pursuant to Section 11-35-310(35), the state may purchase items available on this contract from a third party (an "alternate vendor") if the alternate vendor offers a price that is at least ten percent less than the price established by this contract and,

after being offered an opportunity, you decline to meet the alternate vendor's price. With regard to the items acquired, the alternate vendor must agree to be bound by all the terms and conditions of this contract. All acquisition pursuant to this clause must be documented by the procurement officer using the attached form. [07-7B227-1]

STATEWIDE TERM CONTRACT -- SCOPE (JAN 2006)

The scope of this contract is limited by the Bidding Schedule / Cost Proposals and by the description included in Part I, Scope of Solicitation. Sales of supplies or services not within the scope of this contract are prohibited. See clause entitled Contract Limitations. [07-7B230-1]

TERM OF CONTRACT -- EFFECTIVE DATE / INITIAL CONTRACT PERIOD (JAN 2006)

The effective date of this contract is the first day of the Maximum Contract Period as specified on the final statement of award. The initial term of this agreement is 1 year from the effective date. Regardless, this contract expires no later than the last date stated on the final statement of award. [07-7B240-1]

TERM OF CONTRACT -- OPTION TO RENEW (FEB 2021)

At the end of the initial term, and at the end of each renewal term, this contract shall automatically renew for a period of one year unless contractor receives notice that the state elects not to renew the contract at least thirty (30) days prior to the date of renewal. Regardless, this contract expires no later than the last date stated on the final statement of award. [07-7B245-3]

TERM OF CONTRACT -- TERMINATION BY CONTRACTOR (JAN 2006)

Contractor may terminate this contract at the end of the initial term, or any renewal term, by providing the Procurement Officer notice of its election to terminate under this clause at least 90 days prior to the expiration of the then current term. [07-7B250-1]

TERMINATION FOR CONVENIENCE -- INDEFINITE DELIVERY / INDEFINITE QUANTITY CONTRACTS (JAN 2006)

Unless the termination so provides, a termination for convenience shall not operate to terminate any purchase orders issued prior to the effective date of termination. [07-7B255-1]

TERMINATION FOR CONVENIENCE (JAN 2006)

(1) Termination. The Procurement Officer may terminate this contract in whole or in part, for the convenience of the State. The Procurement Officer shall give written notice of the termination to the contractor specifying the part of the contract terminated and when termination becomes effective.

(2) Contractor's Obligations. The contractor shall incur no further obligations in connection with the terminated work and on the date set in the notice of termination the contractor will stop work to the extent specified. The contractor shall also terminate outstanding orders and subcontracts as they relate to the terminated work. The contractor shall settle the liabilities and claims arising out of the termination of subcontracts and orders connected with the terminated work. The Procurement Officer may direct the contractor to assign the contractor's right, title, and interest under terminated orders or subcontracts to the State. The contractor must still complete the work not terminated by the notice of termination and may incur obligations as are necessary to do so.

(3) Right to Supplies. The Procurement Officer may require the contractor to transfer title and deliver to the State in the manner and to the extent directed by the Procurement Officer: (a) any completed supplies; and (b) such partially completed supplies and materials, parts, tools, dies, jigs, fixtures, plans, drawings, information, and contract rights (hereinafter called "manufacturing material") as the contractor has specifically produced or specially acquired for the performance of the terminated part of this contract. The contractor shall, upon direction of the Procurement Officer, protect and preserve property in the possession of the contractor in which the State has an interest. If the Procurement Officer does not exercise this right, the contractor shall use best efforts to sell such supplies and manufacturing materials in accordance with the standards of Uniform Commercial Code Section 2-706. Utilization of this Section in no way implies that the State has breached the contract by exercise of the Termination for Convenience Clause.

(4) Compensation. (a) The contractor shall submit a termination claim specifying the amounts due because of the termination for convenience together with cost or pricing data required by Section 11-35-1830 bearing on such claim. If the contractor fails to file a termination claim within one year from the effective date of termination, the Procurement Officer may pay the contractor, if at all, an amount set in accordance with Subparagraph (c) of this Paragraph.

(b) The Procurement Officer and the contractor may agree to a settlement and that the settlement does not exceed the total contract price plus settlement costs reduced by payments previously made by the State, the proceeds of any sales of supplies and manufacturing materials under Paragraph (3) of this clause, and the contract price of the work not terminated;

(c) Absent complete agreement under Subparagraph (b) of this Paragraph, the Procurement Officer shall pay the contractor the following amounts, provided payments agreed to under Subparagraph (b) shall not duplicate payments under this Subparagraph:

(i) contract prices for supplies or services accepted under the contract;

(ii) costs reasonably incurred in performing the terminated portion of the work less amounts paid or to be paid for accepted supplies or services;

(iii) reasonable costs of settling and paying claims arising out of the termination of subcontracts or orders pursuant to Paragraph (2) of this clause. These costs must not include costs paid in accordance with Subparagraph (c)(ii) of this paragraph;

(iv) any other reasonable costs that have resulted from the termination. The total sum to be paid the contractor under this Subparagraph shall not exceed the total contract price plus the reasonable settlement costs of the contractor reduced by the amount of payments otherwise made, the proceeds of any sales of supplies and manufacturing materials under Subparagraph (b) of this Paragraph, and the contract price of work not terminated.

(d) Contractor must demonstrate any costs claimed, agreed to, or established under Subparagraphs (b) and (c) of this Paragraph using its standard record keeping system, provided such system is consistent with any applicable Generally Accepted Accounting Principles.

(5) Contractor's failure to include an appropriate termination for convenience clause in any subcontract shall not (i) affect the State's right to require the termination of a subcontract, or (ii) increase the obligation of the State beyond what it would have been if the subcontract had contained an appropriate clause.

[07-7B265-1]

WARRANTY -- STANDARD (JAN 2006)

Contractor must provide the manufacturer's standard written warranty upon delivery of product. Contractor warrants that manufacturer will honor the standard written warranty provided. [07-7B280-1]

Section 11-35-310(35) of the South Carolina Code of Laws reads as follows: ""Term contract" means contracts established by the chief procurement officer for specific supplies, services, or information technology for a specified time and for which it is mandatory that all governmental bodies procure their requirements during its term. As provided in the solicitation, if a public procurement unit is offered the same supplies, services, or information technology at a price that is at least ten percent less than the term contract price, it may purchase from the vendor offering the lower price after first offering the vendor holding the term contract the option to meet the lower price. The solicitation used to establish the term contract must specify contract terms applicable to a purchase from the vendor offering the lower price. If the vendor holding the term contract meets the lower price, then the governmental body shall purchase from the contract vendor. All decisions to purchase from the vendor offering the lower price must be documented by the procurement officer in sufficient detail to satisfy the requirements of an external audit. A term contract may be a multi term contract as provided in Section 11-35-2030."

Amendment #1
Questions and Answers

1. Relationship with Manufacturer: When dealers respond/bid on behalf of a manufacturer, does the “Dealer In Care Of Manufacturer” need to be placed in the “Name of Offeror” field only?

State’s Response: No change. Please see Section III, Offerors Relationship with Manufacturer.

2. Also, in the case a dealer responds on the behalf of multiple manufacturers, is the dealer also required to submit a cover sheet with the dealer’s name only? (separate cover sheet for each “in care of” manufacturer + one for the dealer that would hold the contract?)

State’s Response: No change. Please see Section III, Offerors Relationship with Manufacturer. There is no need to do a separate cover sheet for each manufacturer. Please refer to Section IV Information for Offerors to Submit regarding submitting for multiple manufacturers.

3. Is a separate bidding schedule required for each manufacturer offered by a dealer?

State’s Response: Please review the changes in Section IV and Section VIII.

4. There were some conflicting answers between a couple of different callers, but do we submit a full list of equipment offered AND manufacturer price pages for ALL makes and models with this bid or JUST/simply discount %’s per Lot and manufacturer?

5. If yes is the answer, in what format and how do we download such into the SCEIS system?

State’s Response: Questions 4-5. No change. Please see Section VIII Bidding Schedule. No list of equipment is required.

6. Does a price list need to be provided with contract?

7. We just have a link to our websites. On the heavy(er) side, manufacturers do not have a link to listed pricing. We all have dealer pricing portals where we build the units requested unlike a lawn mower where MSRP might be \$1999.00 One skid steer could have 50 build options and list price is variable.

State’s Response: Questions 6-7, No change. Please see Section III Offerors should provide website link to its current Price List that will be maintained and kept up to date at all times by the contractor/manufacturer. This website will be posted on the state Procurement Services website/contract sheets for easy access by end users. Offerors will honor the published price listed at the time the purchase order is received from the UGU or at the time the purchase is made if using a Purchasing Card. If offeror cannot provide a website link to its current price list, contractor must provide the current applicable Price List to end using entities upon request. At no time will the state be expected to maintain a Price List for contractors.

8. Question about overall sizes of equipment in a lineup – “compact equipment only” was an answer from a vendor. This is probably MOST specific to Lot #4 - Seems like the intent is to keep these below a certain size. Could we make a generality and say “max of “x” HP” and/or operating “weight of no more than “x” Lbs for instance”? This should basically cover all (compact) wheel loaders, mini crawler loaders, skid steers, telehandlers, telescopic tool carriers, crawler dozers, vibratory plows, trenchers, slope mowers, and mini/compact excavators. The issue could be to cap these sizes because they can interfere with other established contracts. FYI – the Backhoe Loader, Wheel Loader, Motor Grader Contract. We don’t carry a backhoe loader, but if you don’t cap size, this could cause you to be on and manage two state contracts for the same product. Same with wheel loaders.

9. With the “vibratory rollers” - would probably need to specify max size and/or HP as there is also a SCDOT contract in place for asphalt rollers, though we are not the awardee on contract, could be a conflict. IE – “Max 48 In or 50HP” Definition of “compact” can be limited by factors based on the equipment market. It can be easily done and generic among manufacturers. Will be happy to suggest if so...

State’s Response: Questions 8 -9 No change. The intent of this contract is to restrict the equipment purchased in the compact category. This should be apparent in that we have limited certain types of equipment to a maximum of 75HP. The State and other agencies have contracts for larger equipment and that type of equipment is not eligible for purchase under this contract. The specifications are written intentionally vague to allow for the maximum number of products between the different manufacturers to be purchased under the contract in the established lots.

10. I would propose to consider - in Lot 4 - that the description “Loader” and “Articulating Loader” be taken out of this lot by name and change the following to be a bit more industry specific for us all: change “Compact Loader” to “Compact Wheel Loader – Articulating or Tractor Type” Loader is so far vague that this could include backhoes and the like. I believe your intent is compact wheel loaders, compact track loaders, and skid steers...just a suggestion to narrow us down a bit, but we do understand where the intent is everything else self-explanatory
11. All terrain/rough terrain forklifts – is this 10,000 lbs. lifting capacity or operating weight/weight of the unit?

State’s Response: Question 10 – 11, please see Section III, Lot 4.

12. In Lot #4, we have a majority of the equipment listed, so please verify that we do not have to have everything listed in the Lot. I don’t think any manufacturers will have all items listed.
13. On page 22 I see “award will be made to the responsible bidder(s) with highest discount per manufacturer” – Does this mean multiple manufacturers could be listed in the award lot?

State’s Response: Questions 12-13, Please see Section VI.

14. Lot #4, the seven equipment types we offer have different discounts. The cost to build them and the manufacturing margins do not allow profitability on all if they are discounted to the state at the same percentage level. It will also not allow the desired competitive pricing for the end customers.

State’s Response: No change. Please review Section VIII.

15. Would the state like us to identify which model(s) would fall within a certain category?
16. Within Each Lot, do the model numbers need to be provided upon submitting the bid? There are the following number of models for the products to be bid. They would be listed in the price pages.

State’s Response: Questions 15-16, No change. Please see Attachment A Bidding Schedule.

17. With this, the price pages would be the base items Suggested List Price minus the discount. The freight, Dealer Prep and Assembly would be provided at the time of quoting.

18. To clarify quoting/pricing format, after the base equipment, options and accessories quoted, is the total freight, Dealer Prep and assembly listed in separate line items prior to the final price?

19. Delivery charge allowed for the delivering dealer. This is an optional transportation charge of \$8.00 per loaded mile that is agreed to by both parties. If charged, the fee must appear on the quote or purchase order. Google Maps would be used to calculate the mileage.

State's Response: Questions 17-19, No change. Please see Section III Delivery Instructions

20. If models are changed, added, or eliminated in each Lot, what needs to be done to be sure they can be quoted or not quoted?

State's Response: No change. Please see Section III Contract Product Changes

21. Will the State consider responding to questions discovered and presented after the January 30th question deadline?

State's Response: No change. Please see cover page.

22. Contractor would like to offer Open Market items to your agencies. Open Market items are implements, attachments, accessories and parts that are currently not on contract but are requested by the agency to complete the purchase of equipment awarded on contract. Open Market items will be clearly labeled on dealers' quote or purchase order as Open Market. Will this be acceptable to the State?

State's Response: No change. This is not allowed on state term contracts.

23. Are trade-ins allowed so agencies can offset some purchase cost of new equipment?

State's Response: Please see Section III.

24. All equipment will be delivered with one operator's manual which includes a list of maintenance parts. Some manuals are quite costly. Could additional manuals be furnished upon customer request?

State's Response: No change. Please see Section III Operational Manuals.

25. We offer a number of transportation products in different categories that have varying discounts based on the category. It will be beneficial to the State for us to utilize a different discount structure on these categories.

Would the State be willing to accommodate something similar to our breakdown below?

1. **Entry Level Utility Vehicle (2wd Small Bed):**
2. **Standard Duty Utility Vehicles (2wd Med & Large Bed):**
3. **Heavy Duty Utility Vehicles (4x4\AWD):**
4. **6 and 8 passenger Transportation Vehicles**
5. **4 passenger Transportation Vehicles**
6. **Golf cars (to play golf in, golf course fleet only)**
7. **Truckster Non LSV (VRLA & Lithium)**

State's Response: No change. Please see Section III for Lot(s) description.

26. On today's call, we discussed using authorized Dealers to take orders, will the state issue a PO to the Dealer as long as we manage the contract? ie pay the fees and do the reporting. If this is the case, who will be responsible for invoicing? I believe I may have misunderstood the use of Dealers taking orders and simply need clarification.

State's Response: No change. Please see Section III, Dealer. The awarded contractor shall be responsible for all invoicing, reporting, and remitting payment for administrative fees.

27. Due to material supply constraints (mostly COVID related), lead times have been extreme and well beyond the norm. We are starting to experience an improvement but are not back to 2019 delivery times, what considerations / allowances is the state making for lead times?

State's Response: No change. Please see Section III, Delivery Days ARO.
